**Official Reminder of IBAF Norm C51 Compliance
Memorandum - Baseball**

Firstly, congratulations for making it to the medal round. Having a chance to win a medal is one of the greatest accomplishments for any Olympian. Well done.

As we approach the medal-round and gain increased attention from global television exposure and the print media, our pictures are fortunately showing up all over the world.

I cannot overstate the importance of your compliance with IBAF Technical Norm C51.

Please review page 16 of your TEAM LEADERS GUIDE. We have been in your dugouts throughout the preliminary round trying to educate you and helping you comply with this rule.

The most visible violation has been on the outside of gloves and batting gloves. You only get one logo per glove, and that logo can only be so big. We have been doing everything possible to avoid issuing fines, but let me be clear that you are responsible for addressing this matter on all fronts, and you will indeed be fined for each and every violation throughout the final games of Olympics.

You may remove the illegal logos, cover them with black tape, color over them with black marker, or whatever other manner suits you. We aren't overly concerned with how you do it, but rather that you just do it.

Our generous sponsors are vital to the health and growth of our sport as we strive to regain our Olympic status , and they deserve no less than our complete cooperation.

Thank you in advance for your cooperation in this matter.
